

A photograph of the KPPL factory building, a large, multi-story structure with a reddish-brown facade and many windows. In the foreground, there is a paved area with a speed limit sign that reads 'SPEED LIMIT 10'. A sign on the wall of the building reads 'KPPL Kuloday Plastomers Pvt. Ltd. Plot No. 007 And M-54, Survey No. 315/7/1, Vapi, Morai, Valsad, Gujarat-396191'.

Why Choose KPPL?

India's leading packaging partner built on performance, scale and sustainability

GLOBAL REACH

- Serving over 30 countries
- Consistent on-time delivery
- Customized solutions

MASSIVE, MODERN INFRASTRUCTURE

- 2 state of the art plants
- 600000+ sq.ft. floor space
- Advanced machinery

TRUE CIRCULAR ECONOMY

- In-house recycling plant
- Ensures zero production waste.

ROBUST U.S. INFRASTRUCTURE

- 100% US subsidiary
- 2 Distribution centers
- Los Angeles and New Jersey
- Coast-to-coast distribution advantage

CUSTOMER FIRST CULTURE

- Custom products
- Agile production lines
- Dedicated service teams

CERTIFIED QUALITY EVERYTIME

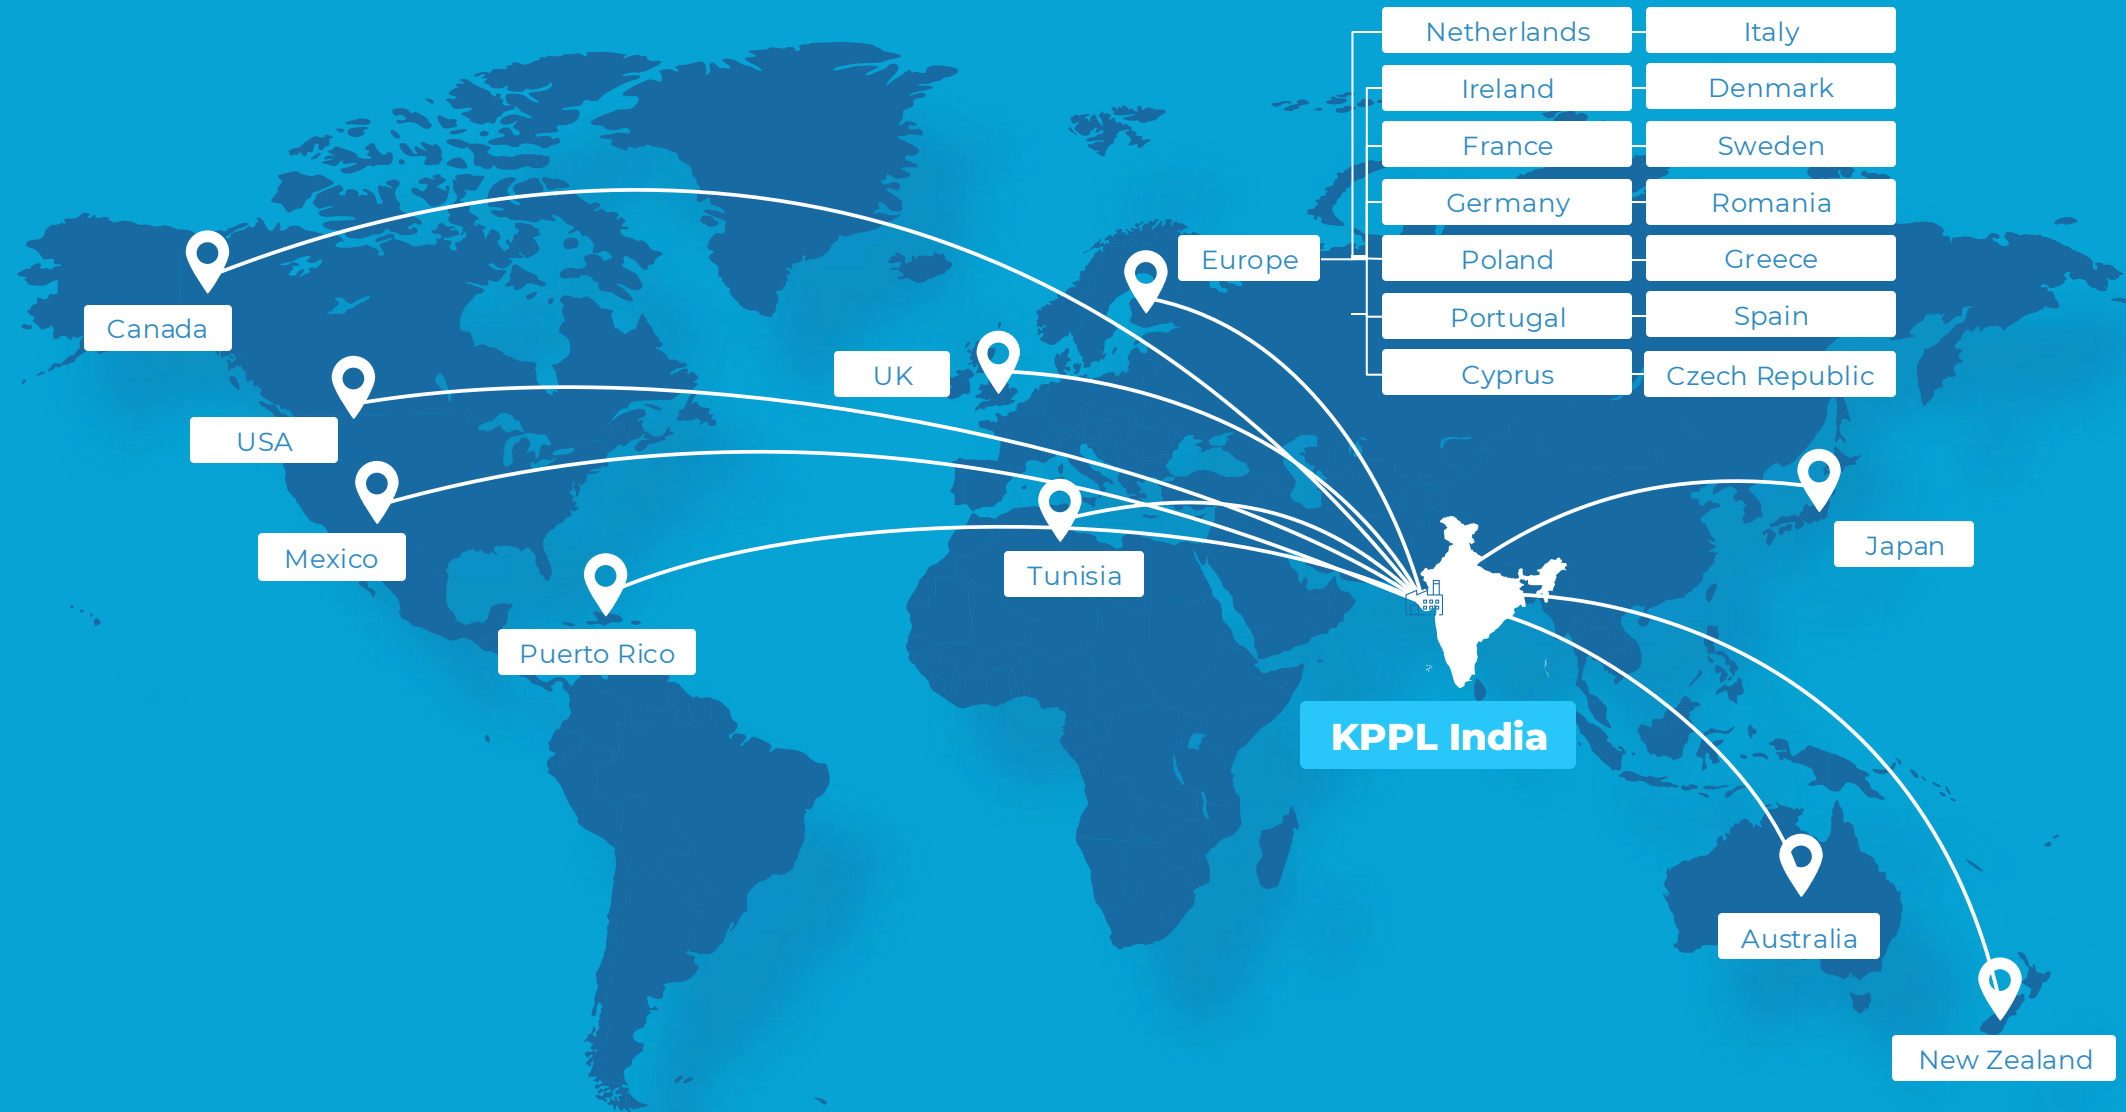

- ISO certified processes
- 100% inhouse QC labs
- 8 consecutive years of Export Excellence Awards

INNOVATION DRIVEN PACKAGING

- New product R&D
- Compostable materials
- Automation led scalability

Our Global Presence

Our Certifications

Our Successful Audits

The image displays six blue pill-shaped icons arranged horizontally, each representing a successful audit for a specific organization. Each icon contains a white gear with a green checkmark inside, symbolizing a successful audit. The organizations are: Sysco, US Foods, Target, CVS, ASDA, and CTPAT (Validated).

- Sysco**: The Sysco logo is positioned above the gear icon.
- US FOODS**: The US Foods logo is positioned below the gear icon.
- target**: The Target bullseye logo is positioned above the gear icon.
- CVS**: The CVS logo, featuring a red heart and the letters CVS, is positioned to the left of the gear icon.
- ASDA**: The ASDA logo is positioned above the gear icon.
- CTPAT VALIDATED**: The CTPAT logo with the word VALIDATED below it is positioned below the gear icon.
